I have a mission for you. Your role is to provide community outreach at a fairgrounds in Farmington, NM. You may be asked to take water samples, depending on the need. You may be out there for approximately 10 days.

Come by the REOC if you need more details or have questions about your role.

Regards,

mt

I've been cleared for deployment. Who would help me prepare my TA and where is the destination, whom I should report to, how long should I request for my travel, .etc.?

Please let me know.

Thank you.

Importance: High

The REOC has been activated for the Gold King Mine Spill. This is an immediate

activation of the R6 RSC.

The Region is requesting 30 EPA staff be immediately deployed to the Farmington NM area as community relations support. Deployment is for potentially a week (min 5 days deployment).

Preference is for a min of 24-hour HAZWOPER, and medical monitoring.

Please have staff, that have supervisor approval to deploy, email Michael Torres and cc Mikeal Adams and Susan Webster.

Thank you for you help! Susan
